Subject: Notice of Public Hearing - Proposed Changes to Eastern San Joaquin River Watershed WDRs

This is a message from the California Regional Water Quality Control Board, Central Valley (5).

The California Regional Water Quality Control Board, Central Valley Region (Central Valley Water Board) has released proposed revisions to the Waste Discharge Requirements for Growers within the Eastern San Joaquin River Watershed that are Members of the Third-Party Group R5-2012-0116-07. The proposed revisions will remove the Notice of Intent submittal requirements for growers applying for Coalition membership.

A public hearing concerning this matter will be held at the regular board meeting on **4/5 April 2019 in Fresno, CA**. The Board will only consider adoption of the proposed revisions, and will not be reconsidering other aspects of the Order. Any person may submit comments in writing on the proposed revisions. Written comments must be received by **5:00 pm on 29 March 2019**. The Notice of Public Hearing, a document showing proposed changes in underline/strikeout, and where to send comments may be viewed and downloaded by following the link below:
